# How to find us

Our Laboratory at Copley Hill Business Park is located 3 miles south of Cambridge on the A1307 Babraham Road, offering access to the M11 and A14. Frequent trains to London Liverpool Street serve Great Shelford Railway Station which is 3 miles from the park.

When approaching on the A1307, look out for signs to Copley Hill Business Park. On arrival, approach the barrier which will raise automatically. Follow the road round to the right, drive over two sets of speed bumps and then turn left. Devonshire House Dental Laboratory is immediately on the left. Signposted patient parking is available in front of the laboratory.

Visitors are welcome by appointment. Please contact our Laboratory Co-ordinator, Claire Spiolek, on 01223 837212.
